

ABOUT CESL

The University of Arizona's Center for English as a Second Language (CESL) offers high-quality English language programs. CESL has been serving the University of Arizona and global communities for almost 50 years.

CESL is in the heart of the UA campus. CESL is proud of its state-of-the-art computer lab and extensive software collection. The Multimedia Language Lab has 26 workstations that students can use for individual study.

CESL has two program tracks that operate on an 8-week session basis—about half a semester of undergraduate studies.

U-TRACK

UNDERGRADUATE UNIVERSITY TRACK

U-Track is for advanced ESL learners who take English-language and UA courses at the same time. UA courses earn credit toward a UA bachelor's degree.

CESL's Undergraduate University Track (U-Track) at UA provides ESL learners with an opportunity to take UA courses and earn credits toward their bachelor's degree while continuing to strengthen their English-language skills.

Each UA course in the Undergraduate U-Track is paired with a CESL class that is designed to support students' studies in their undergraduate courses. Undergraduate U-track UA courses are sheltered, English-immersion, and credit-bearing courses.

TOP THREE REASONS TO JOIN THE UNDERGRADUATE U-TRACK:

- ◆ Students who successfully complete 1-session can **matriculate to UA without a TOEFL or IELTS score**
- ◆ Undergraduate U-Track students take UA courses and can **earn up to 6 credits** (example: *Introduction to Anthropology*)
- ◆ Undergraduate U-Track students pay **reduced university tuition** while in U-Track

IEP

INTENSIVE ENGLISH PROGRAM

IEP is for low to advanced intermediate ESL learners who enroll in only English-language courses.

CESL's Intensive English Program (IEP) is designed for students with lower-level English skills. Students come from about 35 countries and study for more than 22 hours a week with a master teacher. CESL attempts to create diverse groups of students in each proficiency level through a mix of students with different native languages.

Students who have not been placed into a CESL level based on their English proficiency score (levels 1-4) must take a placement test upon arrival. If students are in the full-time IEP, they must take two integrated-skills core classes (Oral and Written Communication) and two skills courses (Grammar and Reading Skills).

ENTRY REQUIREMENTS

PROGRAM TRACK	TOEFL (iBT)	IELTS (Overall Band)	ACADEMIC QUALIFICATION*
U-TRACK	59-69	5.0-5.5	U.S. 2.6 GPA Equivalent
