PROGRAMS OFFERED

UA DIRECT

UA has 16 academic colleges, 12 of which offer bachelor’s degrees. Students accepted directly into UA will immediately begin taking classes that count toward earning their bachelor’s degree from UA in one of over 128 possible majors.

PROGRAMS AT CESL

The University of Arizona’s Center for English as a Second Language (CESL) offers high-quality English-language programs.

UNDERGRADUATE UNIVERSITY TRACK

CESL’s Undergraduate University Track (U-Track) at UA provides ESL learners with an opportunity to take UA courses and earn credits toward their bachelor’s degree while continuing to strengthen their English-language skills.

Each UA course in U-Track is paired with a CESL class that is designed to support students’ studies in their undergraduate courses. Undergraduate U-track UA courses are sheltered, English-immersion, and credit-bearing courses.

INTENSIVE ENGLISH PROGRAM

CESL’s Intensive English Program (IEP) is designed for students with lower-level English skills. Students come from about 35 countries and study for more than 22 hours a week with a master teacher. CESL attempts to create diverse groups of students in each proficiency level through a mix of students with different native languages.
